NEWS

Tünde Erdős successfully defended her thesis

On 1 April in an online session Tünde Erdős defended her thesis titled "Change process beyond goals: The client in the context of the working alliance in coaching".

Tünde Erdős - Ashridge MSc. in Executive Coaching, ICF MCC, EMCC Senior Practitioner For 15+ years, Tünde has been working as an external executive coach for middle management, including executives and C Suite leadership. She has authored two books on coaching and has published in peer-reviewed academic journals as well as practice-oriented articles in coaching magazines. She teaches at HEC university in Paris and lectures at various universities around the world.

Currently, as a co-lead at Global ICF Coaching Science Community of Practice, Tünde's inspiration is to encourage coaches and leadership to base their practice harmoniously on professional wisdom and empirical evidence.

Marcel Seip successfully defended his dissertation

On March 26, in an online session Marcel Seip successfully defended his dissertation titled "Firms and Intellectual Property Rights: who, which, when and where".

Marcel Seip works as a senior advisor at the Netherlands Enterprise Agency. He studied Physics and Astronomy at the University of Groningen. After completing his studies, he was employed by Stichting

FOM (Foundation for Fundamental Research on Matter) and by Statistics Netherlands. In 2007 he joined the Netherlands Patent Office and in 2015 the corporate staff department of the Netherlands Enterprise Agency.

Maarten de Groot on national radio and in de Telegraaf

Maarten de Groot, who defended his thesis on 12 March at the Vrije Universiteit has been interviewed at NPO1 in the programme Nieuwsweekend. The topic: very few enterprising families manage to successfully transfer wealth and responsibilities to the next generation. Why do some families actually succeed?

The interview (10 min. in Dutch) [can be seen here](#).

Furthermore Maarten de Groot has been interviewed in de Telegraaf in the issue of 24 March. The article [can be read here](#).
